

Summer Solstice Transition at the Turning Point

Community Resilience — Renewable Energy — Food Security — Sustainable Farming

Saturday & Sunday
June 18 & 19

Saratoga Apple

Route 29 west, Schuylerville, NY

Summer Solstice: Turning Point in the Sun's annual journey
In 1777, Old Saratoga was the Turning Point of the American Revolution
Today, Humanity is at a Turning Point in our relationship to Nature
Join a Summer Solstice celebration to learn new ways to be on Earth

WORKSHOPS

Biochar: soil fertility, renewable energy & our climate challenge

Permaculture: edible landscape design with perennials

Nutrient Dense Food: 21st century farming & gardening

Fun with Fermentation: make your own pickles, kefir, kimchi & beer

Green Energy: renewable power from sun, wind, water & plants

Natural Health & Wellness: food is our best preventive medicine

Your 6th Sense: intuition, inner awareness & earth wisdom

HOME-MADE MUSIC

21st Century songs, singing & dance
led by some of our finest local musicians

CEREMONY

Drums for Peace: bring your own drum & rhythm

Solstice Sunrise: greet the sun, mark the time

Sacred Space: discover temples hidden in the land

Creative Community: weave connections into culture

\$10/day donation

proceeds to benefit the Regional Farm & Food Project

overnight camping available on request
food is potluck; bring your own dishes to share
